Guest License Agreement for - The Sandy Starfish, 1678 Starfish Road

Thank you for choosing our home for your upcoming trip! We hope you enjoy your stay and that it serves as your home away from home while you enjoy all that Ocean Lakes has to offer. We have worked hard to make this home a comfortable and special place for our families and for yours. Please let us know if there is anything you have questions about either before or during your stay. Also, we would love to hear your feedback! We want to know if there is anything that you loved about your stay or if there is anything that we could improve on. Please use Stephen's phone number as the primary contact number to call or text during your stay (630)777-1399. You can also email us at thesandystarfish@yahoo.com

Site 1678 is a three-bedroom, one bath home, with an additional shower in shed. One queen bed, two full size beds and a pull-out sleeper sofa. Maximum occupancy of 7 guests. This home is completely furnished **except for towels and linens, paper towels, kitchen towels, toilet paper, soap, trash bags and washing detergents.**

Please do not move beds or furniture. NO smoking/vaping or pets allowed in the home. If this is reported, you will be charged the security deposit.

If you would like to add a linen package please let us know. This service is provided by an outside company. The cost is \$105.00 and you would receive full sheet sets for all the beds, towels for each guest, bath mats for each bathroom and kitchen towels.

You may use the pillows and comforters/bed quilts that are provided with the house or you may bring your own.

If you choose to use the sleeper sofa you must use sheets.

The kitchen should have everything you need as far as dishes, pans and utensils. There is a traditional coffee pot and toaster.

If your stay is more than 2 weeks out you will be contacted via email by Ocean Lakes to set up your Express Pass. This is the pass that gets you in the gate at Ocean Lakes. They charge \$10 per vehicle per day if paid in advance or \$12 if paid on the day of arrival. Ocean Lakes will email you to request your vehicle information and then send a separate email after that for payment of the express pass(es). Your pass will be mailed once your trip is between 10 - 30 days out AND you have completed payment. If you have your pass you may proceed through the left lane to the guard shack when you arrive.

If you do not have an express pass or your trip is less than 2 weeks away you will need to pull in under the awning when you arrive at Ocean Lakes and go inside to check in and pay for your pass(es).

Please be advised that Ocean Lakes has been more strictly enforcing the expiration time on the Express Pass. The passes expire at 11am on your departure day. Guests have reported trouble getting back in if they are coming in to the campground near 11am.

There is a binder in the house that has additional info related to the house and campground during your stay. There is a list of Ocean Lakes rules, including their golf cart rules, and water park info. Please take a minute to review the rules, especially the golf cart rules as these are the most common violations in the park. **Make sure to download the Ocean Lakes app so you can see park info, hours and activities!**

The owner shall NOT be responsible for any accidents or injuries occurring to any guest of the property or premise.

CHECK-IN:

Check-in time is 3PM. Door code will be sent to you prior to your stay. WIFI password will be displayed in the home. Upon arrival, ALL visitors must stop by the office to obtain their parking pass, unless you have already received yours by mail. If you are planning to arrive after the office closes and you don't have your passes, please go to the guard gate and they will provide you instructions on what to do.

CHECK-OUT:

Check out is 10AM. No exceptions unless arrangements have been made with the owners.

Parking:

A parking permit is required for all vehicles inside of Ocean Lakes. Motorcycles are to be parked in designated areas. Please contact Ocean Lakes for additional info on this.

When you park at the house you may park in front of the deck or in the driveway. We do not recommend that a large truck or SUV attempt to park in the driveway (but they will fit in the spot in front of the deck). The entrance to the driveway is narrow so please use an abundance of caution when backing/pulling in. Ocean Lakes does have an overflow parking area located near the South Gate. Please speak directly to them for information on parking there.
